The rule is that anonymous letters are written by friends.

#### OHIO KNOWS HOW TO BUILD GOOD ROADS.

(West Union Record.)  
Work is progressing nicely on the new State Market road. Starting at the residence of Robert Seaman on the Sinking Springs and Locust Grove pike and extending one mile south. It is a fine piece of work and will cost \$6000 per mile. Under the provisions of the new State Highway law, there will be \$10,000 annually available for each city and this will mean an extension of the road five miles each year. This road southward will reach the city seat about 1918.

#### PRAYING VS. ADVERTISING.

His report to the editors, A. L. (an), advertising manager of the West Star-Telegram, told the following story:

The small daughter of a Little Rock family had been praying each evening at bedtime for a baby sister. The other morning her mother, reading the paper, exclaimed: "I see Mr. Smith has a little daughter."

"How do you know that?" asked the child.

"I read it in the paper."

"Read it to me."

The mother read: "Born—on March —, to Mr. and Mrs. — Smith, a daughter."

The child thought a moment, then said: "I know what I am going to do. I am going to quit praying and begin advertising."

Mr. Shuman advised the editors in all cities of more than 10,000 inhabitants to organize ad clubs. He told them that it would be very profitable if it worked out as it had done in the larger cities. He invited the editors to hunt him out and ask him about how to proceed if they are interested.

He said that a good ad club will get together for common good the "cream of the business men."

#### STATE ENCAMPMENT G. A. R. OF OHIO.

The Forty-eighth Annual Encampment of the Department of the Ohio, G. A. R., will be held in the city of East Liverpool, June 22-25.

In 1779, an attack upon the Carolina frontier was threatened by Indians assembled near Chattanooga. Isaac Shelby, one of the pioneer leaders, had five-foot trunks of yellow poplar hewed into canoes, in which he took his 750 men down the Holston river to attack the tribes.

Advertising causes intelligent buying, not reckless spending, according to a paper written by Irvin S. Cobb, read before the National Newspaper Conference at Lawrence, Kan.

#### SUBSTANTIAL SUMS FOR CHURCH IMPROVEMENT.

(Flemingsburg Times-Democrat.)  
Last Sunday the Disciples Church here voted to raise about \$5,000 to add some much needed class rooms. Let the good work go on. Just recently the Christian Church at Elizaville raised about \$5,000, the M. E. Church, South, here over \$7,000, in order to provide for the growing Sunday School work. The Christian Church here is one of the strongest in Eastern Kentucky, and should have no difficulty in raising this amount. We shall be glad to see them do it.

#### HAS TWENTY MILLIONS

For the Development of Coal Lands in Western Kentucky.

Evansville, Ind.—That he intends to take leases on 400,000 acres of coal land in Western and Central Kentucky, for an English syndicate, was the statement of C. N. Coupland, of London, England, who for several days has been taking options on coal lands in Kentucky near this city. He says the syndicate he represents is willing to spend \$20,000,000 in the development of Western Kentucky. The coal will be shipped from here by river to New Orleans bound for South American ports.

#### COURTS MUST DECIDE

Constitutionality of Green-Glenn Insurance Law of Kentucky.

Frankfort.—The constitutionality of the Green-Glenn insurance act giving the State Rating Board power to regulate fire insurance rates is to be attacked by the insurance companies opposing its enforcement.

Former Chief Justice E. C. O'Rear has been employed to bring the suit to prevent its enforcement. He has been in conference with Attorney-General Garrett to agree on a date to institute the action.

The Attorney-General's office thinks the bill is constitutional. The purpose of the suit at this time is to get a construction of the act by the Court of Appeals before the June adjournment. It is probable that a Federal question may be injected into the case in order to take it to the Supreme Court of the United States.

#### CAMP DANIEL BOONE TO CONDUCT CONFERENCE CAMP.

The first ten days of the camp session will be devoted to a Conference Training Camp for older boys from the high schools and Sunday schools of Central Kentucky. #### HELPLESS AS BABY

Down in Mind Unable to Work, and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emey, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work. I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 48 years years old, but feel as good as I did when only 16."

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them. If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardui. Your druggist sells it.

#### HOW WOMEN AVOID OPERATIONS

By Taking Lydia E. Pinkham's Vegetable Compound.

Cleveland, Ohio—"My left side pained me so for several years that I expected to have to undergo an operation, but the first bottle I took of Lydia E. Pinkham's Vegetable Compound relieved me of the pains in my side and I continued its use until I became regular and free from pains. I had asked several doctors if there was anything I could take to help me and they said there was nothing that they knew of. I am thankful for such a good medicine and will always give it the highest praise."

—Mrs. C. H. GRUPPITT, 7305 Madison Ave., Cleveland, Ohio.

Hanover, Pa.—"I suffered from female trouble and the pains were so bad at times that I could not sit down. The doctor advised a severe operation but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it. What joy and happiness it is to be well once more. I am always ready and willing to speak a good word for the Compound."

#### IN MEMORIAM

Mrs. Margaret K. Wilson who entered into rest in this city on the sixth day of August 1913, was born in Paris, Kentucky, July 26, 1833. Her parents came to this city to reside, when she was six years of age. She united with the Presbyterian Church at the age of thirteen, and was a consistent Christian during her life, she loved her Church and was never absent from the services, unless ill health prevented, when unable to attend her Bible was her greatest solace. She lived to the grave twenty-one years. She leaves a son, and daughter to mourn her loss. Her husband, John M. Wilson, predeceased her. She was domestic in her tastes, and faithful to every duty.

Part from the maddening crowd a noble strife, Her sober wishes never learned to stray; Along the cool sequestered vale of life, She kept the noiseless tenor of her way.

She saw her children grow to manhood and womanhood, yet was watchful over them with loving tender care. Her death has left a vacancy in the home which nothing can fill. She became a member of the Ladies Missionary Society of the Central Presbyterian Church some fifteen years ago, and was ever a faithful member, attending as often as ill health would permit.

She is missed and lamented by her many friends, who hope for a meeting where partings are no more.

We do not die, what seems death is transition. For when to earth we close our waiting eyes, We shall arise unto the sweet fruition. Of God's eternal home beyond the seas.

#### STRAIGHTFORWARD TESTIMONY

Many Mayville Citizens Have Profited By It.

If you have backache, urinary troubles, days of dizziness, headaches or nervousness, strike at the seat of the trouble. There are often the symptoms of weak kidneys and there is grave danger in delay. Doan's Kidney Pills are especially prepared for kidney ailments — are endorsed by over 30,000 people. Your neighbors recommend this remedy — have proved its merit in many tests. Mayville readers should take fresh courage in the straightforward testimony of a Mayville citizen.

Henry Gallenstein, blacksmith, Poplar St., Mayville, Ky., says: "Doan's Kidney Pills are the best of kidney remedies. I have used different kinds and no other has ever equalled this one. When my kidneys were out of order and I had pain in my back, I heard of Doan's Kidney Pills and used them. They stopped the pains and my kidneys became strong. The cure has been permanent."

Mr. Gallenstein is only one of many Mayville people who have gratefully endorsed Doan's Kidney Pills. If your back aches — if your kidneys bother you — don't simply ask for a kidney remedy — ask distinctly for Doan's Kidney Pills, the name that Mr. Gallenstein had the remedy backed by home testimony. 50c all stores.
